Raju Kumar Sah

☎ +977 9812151512   ✉ rajusah981215@gmail.com   linkedin.com/in/r-k-sah-74b878266/

Technical Skills

Languages and Databases: Python, Pandas, NumPy, Seaborn, Matplotlib, SQL, MySQL
Visualization Tools: Tableau, Power BI
Other Skills: Advanced Excel (Pivot Tables, VLOOKUP), Business Analysis, Statistical Analysis.

Personal Projects & Achievements

Personal Portfolio Website
Technologies: HTML, CSS, JavaScript, GitHub Pages
- Designed and developed a personal portfolio website to showcase projects, skills, and achievements.
- Focused on responsive design and user experience, demonstrating web development skills.

Student Performance Analysis
Technologies: Python, Pandas, SQL
- Analyzed student performance data to identify trends and factors affecting academic results.
- Created visualizations to present findings and insights to improve educational strategies.

Key Skills

- **Data Analysis & Problem Solving:** Expertise in analyzing large datasets, extracting actionable insights, and solving complex business problems through data-driven approaches.
- **Programming & Tools:** Advanced proficiency in Python and SQL for data manipulation, with experience using libraries like Pandas, NumPy, and tools like Jupyter Notebooks.
- **Data Visualization & Reporting:** Proficient in creating clear, insightful visualizations and interactive dashboards using Tableau, Power BI, and Matplotlib.
- **Effective Communication:** Adept at translating technical data insights into easily understandable reports and presentations for both technical and non-technical audiences.
- **Collaboration & Flexibility:** Strong team player who thrives in dynamic environments, with the ability to quickly learn new technologies and contribute effectively to group projects.

Certificate & Trainings

- **Data Science with Python** (Accenture and infosys)
- **Advanced Excel for Data Analysis** (Lets Upgrade)
- **SQL for Data Analysis** (Infosys)

Language

- **English:-** Native
- **Hindi:-** Fluent
- **Nepali:-** Fluent

Education

Parul University
Bachelor Of Computer Science And Engineering.
